STATEMENT UNDER 37 C.F.R. 1.821(f)

I hereby certify that the computer readable form containing the nucleic acid and/or amino acid sequences as required by 37 C.F.R. §1.821(f) contains the same information which is submitted as Sequence Listing.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of title 18 of the United States code and any such willful false statements and the like may jeopardize the validity of the application or any patent issued thereon.

Mark S. Cohen
